Check on use of funds

At the Dewan Rakyat

Reports by IZATUN SHARI, FLORENCE A. SAMY AND ELIZABETH LOOI

THE Negri Sembilan DAP chairman has urged the Public Accounts Committee to carry out a detailed investigation into the use of allocations under the Special Fund Expenditure Programme by state governments.

Loke Siew Fook, who is Lobak state assemblyman, in his letter yesterday to PAC chairman Datuk Shahrir Samad, said the 2005 Auditor-General's report showed there were some discrepancies in the use of the allocations in some states, including Negri Sembilan.
